

Summerland BC - take your time.

Summerland Living

Summerland has the Okanagan's most charming town centre, where small is considered a good thing. Our town has the region's only historic steam railway, 2 cideries, 17 local wineries, and enough beaches to satisfy everyone.

Where "Take your Time," is a reflection of our winding roads, rolling hills and the community's general penchant not to rush things. Our community benefits from a spectacular climate, with mild, short winters and hot, dry summers.

With more than 2,000 hours of bright sunshine per year to enjoy, moderately hilly terrain and the unique soil properties provided by a volcanic past, Summerland's orchards and vineyards enjoy some of the best growing conditions in the Okanagan. It also means that whether you're an adrenaline junkie looking for a challenge, or a foodie looking for that next great wine pairing, Summerland has something new with each passing season.
